

# Dignity Health Occupational Health Services

Recent changes to the local occupational health market are having a dramatic effect on many area businesses. Dignity Health wants to remind employers that our Occupational Health Services team is here to help.

Centrally located off I-5 in East Woodland (next to Costco), Dignity Health Occupational Health Services offers easy, efficient access to services conveniently located in one building. With a multi-disciplinary team of urgent care and occupational health providers, Dignity Health is able to provide care **seven days a week, 365 days a year.**

At Dignity Health, our top priority is helping your employees return to work safely and quickly. Our specially-trained team assists clients by facilitating access to an occupational health specialist (available seven days a week); providing status reports on injured workers; and working collaboratively to help contain workers' compensation costs.

## Available services include:

- Drug and alcohol testing
- Pre-employment screening
- Same-day injury access
